

BatchMaster ERP for Putties

Smoother out cracks in your business operations

If you operate in Paint & Coatings industry and manufacture putty but are bogged down by the stricter and frequently changing regulations, green consumers, pricing pressures, raw material availability, quality control and compliances, competition etc., BatchMaster ERP is the solution you have been longing for. A tailor-made ERP for your industry, BatchMaster ERP not just streamlines your overall business processes, but also empowers you to make informed as well as timely decisions.

BatchMaster ERP helps you manage key functional areas of your business like Quality Control, Formulation, Forecasting, Scheduling, Purchasing, Production plus Material Requirements Planning, Warehousing, Reporting, Procurement, Manufacturing, Inventory, Costing, Sales, Regulatory Compliances, etc. in a smooth manner. Besides, it also allows you real-time continuous monitoring of business processes, which in turn facilitates informed decision making.
